## OLD ART TREASURES HERE FROM ITALY

Prof. Elia Volpi Brings Objects From Davanzati Palace and Villa Pia.

An artistic event that will have singular interest is announced by the American Art Association for this week. Frof Elia Volpi, the well known Italian expert, has brought to this country the ancient paintings and other art objects that formerly were contained in the Davanzati Palace of Florence, together the artistic contents of Prof. Catalla Villa Pist. The exhibition of them on Madison Square South will wein on November 16.

Davanzati Palace has long been an ebject of admiration and study on the art amateurs, for its antique have been a treasure house of ancient objects, preserved and arranged with a fine feeling for the traditions united which these are master works were first produced. The Davanzati Palate was one of the show places of
